ROB REED
Writer

Splitting his time between Park City, Utah and Los Angeles, Rob is a journalist, author, entrepreneur and car enthusiast. In 2005, he published *The Way of the Snowboarder* and founded a venture-backed software company, MomentFeed, in 2010. When he's not working, you can find him relaxing on the beach in Zihuatanejo, Mexico or heli-skiing on untouched peaks in Haines, Alaska.

ANTHONY TIVNAN
CEO

As the president and co-owner of Magellan Jets, Anthony has spent the past 16 years working in private aviation. He regularly speaks at conferences and events about entrepreneurialism and aviation, and was featured as one of "10 Boston Men of the Moment" in *Boston Common* magazine. In his free time he loves to explore new destinations with his son, most recently Europe.

TRISH GOFF
Philanthropist

Supermodel, luxury real estate broker and philanthropist are just a few titles Trish has on her résumé. After spending years on magazine covers, she is now a broker in the New York City residential market. Trish and her partner, David Bonnouvrier, co-founded #knotonmyplanet, a campaign that raises money for the Elephant Crisis Fund and brings awareness to elephant poaching.

HOLLY RUBENSTEIN
Writer

For the past decade Holly has written about travel and entertainment, reviewing luxury hotels and destinations, and reporting from red carpets and award shows. She contributes to titles including *The Telegraph*, *The Times* and *Metro*, and has interviewed a host of A-list stars. Part Brit, part American, she's based in central London but is constantly planning her next adventure.
